

A young child with dark skin and short, dark hair is looking directly at the camera. They are holding a large, dark metal pot with both hands. The pot is filled with a thick, greenish-yellow liquid, possibly a nutrient supplement or a type of porridge. The child is wearing a yellow and orange patterned shirt. The background is a blurred outdoor setting with a red and white patterned cloth hanging on the left and a red structure on the right. The ground is dry and dusty.
